ARTICLE II

The name by which the Condominium shall be known is "The Meadows at Pheasant Run Condominiums".

ARTICLE III

PURPOSES; RESTRICTIONS

Section 1. Purposes. This Declaration is being made to establish separate individual parcels from the Condominium Property to which fee-simple interests may be conveyed; to establish a unit owners' association to administer the Condominium; to provide for the preservation of the values of Units and the Common Areas; to provide for and promote the benefit, enjoyment and well-being of Unit owners and occupants; to administer and enforce the covenants, easements, charges and restrictions hereinafter set forth; and to raise funds through assessments to accomplish these purposes.

Section 2. Restrictions. The Condominium and the Condominium Property shall be benefited by and subject to the following restrictions:

(a) Unit Uses. Except as otherwise specifically provided in this declaration, no Unit shall be used for any purpose other than that of a residence for individuals living together as a single housekeeping unit, and uses customarily incidental thereto, provided, however, that no Unit may be used as a group home, commercial foster home, fraternity or sorority house, or any similar type of lodging, care or treatment facility. Notwithstanding the foregoing: (i) an occupant maintaining a personal or professional library, keeping personal business or professional records or accounts, conducting personal business (provided that such use does not involve customers, employees, licensees or invitees coming to the Unit), making professional telephone calls or conducting correspondence, in or from a Unit, is engaging in a use expressly declared customarily incidental to residential use and is not in violation of these restrictions; (ii) it shall be permissible for the Declarant to maintain, during the period of its sale or rental of Units, but for no longer than a four-year period of time from the time of the closing of the first sale of a Unit to a bona fide purchaser, one or more Units as sales and rental models and offices, and for storage and maintenance purposes provided that Declarant may maintain and utilize one or more of the Units in property added to the Condominium for such purposes for a four-year period of time from the time of the closing of the first sale of a Unit in the property so added; and (iii) one or more Units may be maintained for the use of the Association in fulfilling its responsibilities.

(b) Common Areas Uses. The Common Areas (except the Limited Common Areas) shall be used in common by Unit owners and occupants and their agents, servants, customers, invitees and licensees, in accordance with the purposes for which they are intended, reasonably suited and capable, and as may be required for the purposes of access, ingress to, egress from, use,

occupancy and enjoyment of Units. Unless expressly provided otherwise herein, no Common Areas shall be used for any purpose other than the health, safety, welfare, convenience, comfort, recreation or enjoyment of Unit owners and occupants.

(c) Limited Common Areas Uses. Those portions of the Common Areas described herein and shown on the Drawings as Limited Common Areas shall be used and possessed exclusively by the Unit owners and occupants of the Unit or Units served by the same, as specified in this Declaration, and shall be used only for the purposes intended.

(d) Visible Areas. Nothing shall be caused or permitted to be hung or displayed on the outside or inside of windows (except inoffensive drapes, curtains or louvered blinds) or placed on the outside walls of a building or otherwise outside of a Unit, or any part thereof, and no sign, awning, canopy, shutter or television or citizens' band or other radio antenna or transmitter or any other device or ornament shall be affixed to or placed upon the exterior walls or roof or any part thereof, or in, on, or over a patio or balcony, unless authorized by the Board.

(e) Offensive Activities. No noxious or offensive activity shall be carried on in any Unit, or upon the Common or Limited Common Areas, nor shall any be used any way or for any purpose which may endanger the health of or unreasonably disturb any occupant.

(f) Vehicles. No inoperable vehicles, trucks (except pickup trucks), trailers, boats or recreational vehicles shall be parked on the property. The Board may promulgate such other rules and regulations restricting or prohibiting the parking of automobiles, inoperable vehicles, trucks, trailers, boats and recreational vehicles on the Common Areas, or parts thereof, and may enforce such regulations or restrictions by levying enforcement charges, having such vehicles towed away, or taking such other actions as it, in its sole discretion, deems appropriate.

(g) Renting and Leasing. No Unit or part thereof shall be rented or used for transient or hotel purposes, which is defined as: (i) rental for any period less than one (1) year; (ii) rental under which occupants are provided customary hotel services such as room service for food and beverages, maid service, the furnishing of laundry and linen, busboy service and similar services; or (iii) rental to roomers or boarders, that is, rental to one or more persons of a portion of a Unit only. No lease may be of less than an entire Unit. Any lease agreement shall be in writing, shall provide that the lease shall be subject in all respects to the provisions hereof, and to the rules and regulations promulgated from time to time by the Board, and shall provide that the failure by the tenant to comply with the terms of the Condominium organizational documents and lawful rules and regulations shall be a default under the lease. Prior to the commencement of the term of a lease, the Unit owner shall notify the Board, in writing, the name or names of the tenant or tenants and the time during which the lease term shall be in effect.

(h) Signs. No sign of any kinds shall be displayed to the public view on the Condominium Property except: (a) on the Common Areas, signs regarding and regulating the use of the Common Areas, provided they are approved by the Board; (b) on the interior side of the window of a Unit, one professionally prepared sign, not in excess of nine square feet in size, advertising the Unit for sale or rent; and (c) on the Common Areas and model Units, signs advertising the sale and/or rental of Units by the Declarant during the initial sale and rental period.

(i) Replacements. Any building erected to replace an

existing building containing Units shall be of new construction, be of comparable size, design and construction to that replaced, and shall contain a like number of Units or comparable size to the Units in the building replaced.

(j) Structural Integrity. Nothing shall be done in any Unit, or in, on or to the Common or Limited Common Areas, which may impair the structural integrity of any improvement.

(k) Construction in Easements. No structure, planting or other Material shall be placed or permitted to remain within the easements for the installation and maintenance of utilities and drainage facilities which may damage or interfere with the installation and maintenance of utility lines or which may change the direction of the flow of drainage channels in the easements or which may obstruct or retard the flow of water through drainage channels in the easement areas. The utility facilities within the easement areas shall be subject to the right of the Association to maintain the same, and its right to delegate that right to a public authority or utility.

(l) Animals. Except as hereinafter provided, no animals, livestock or poultry of any kind shall be raised, bred or kept in any Unit or on the Common Areas. Notwithstanding the foregoing, household domestic pets, not bred or maintained for commercial purposes, may be maintained in a Unit, provided that: (i) the maintaining of animals shall be subject to such rules and regulations as the Board may from time to time promulgate, including, without limitation, the right to place limitations on the size, number and type of such pets, and the right to levy enforcement charges against persons who do not clean up after their pets; and (ii) the right of an occupant to maintain an animal in a Unit shall be subject to termination if the Board, in its full and complete discretion, determines that maintenance of the animal constitutes a nuisance or creates a detrimental effect on the Condominium or other Units or occupants.

(m) Conveyances. Each Unit shall be conveyed as a separately designated and legally described freehold estate, subject to the terms, conditions and provisions hereof. The undivided interest of a Unit in the Common Areas shall be deemed to be conveyed or encumbered with the Unit even though that interest is not expressly mentioned or described in the deed, mortgage or other instrument of conveyance or encumbrance. In any instrument of conveyance or creating an encumbrance, or in any other document legally describing a Unit, it shall be sufficient to lawfully describe a Unit and its interest in the Common Area by referring to the Unit designation of the Unit and the appropriate recording references of the initial page of this Declaration and the Drawings, and in the case of a Unit added to the Condominium, the initial pages of the amendment to the Declaration and the amendment to the Drawings by which such Unit was added to the condominium. The right of a Unit owner to sell, transfer or otherwise convey that owner's Unit is not subject to any right of first refusal or similar restriction, and any unit owner may transfer that owner's Unit free of any such limitation. To enable the Association to maintain accurate records of the names and addresses of Unit owners, each Unit owner agrees to notify the Association in writing within five days after an interest in that Unit owner's Unit has been transferred to another person. In addition, each Unit owner agrees to provide to a purchaser of that owner's Unit a copy of the Condominium organizational documents and all effective rules and regulations.

(n) Discrimination. No action shall at any time be taken by the Association or its Board which in any manner would discriminate against any Unit owner in favor of another.

(o) Architectural Control. No building, fence, wall, sign or other structure shall be commenced, erected or maintained upon the Condominium Property, or any part thereof, nor shall any

exterior addition to or change or alteration therein be made, until the plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted to and approved in writing by the Board or its designated representative or representatives, in its or their sole and unfettered discretion.

(p) Rules and Regulations. In addition to adopting and enforcing rules and regulations in the instances specifically hereinbefore mentioned, the Board may, from time to time, adopt and enforce such further reasonable rules and regulations concerning use of the Condominium Property, or any part thereof, as it deems necessary or desirable to promote harmony, to serve the best interests of the Unit owners, as a whole, and to protect and preserve the nature of the Condominium and the Condominium Property. A copy of all rules and regulations shall be furnished by the Board to the owners of each Unit prior to the time when the same shall become effective.

(q) Disputes Between Owners. In the event of any dispute between Unit owners as to the application of the foregoing restrictions or any rule or regulation promulgated pursuant thereto, the party aggrieved shall submit a complaint in writing to the Board specifying the dispute. The Board shall set a time, date and place for a hearing thereon within sixty (60) days thereafter, and give written notice to each party thereof no less than three days in advance. The Board shall thereupon hear such evidence on the dispute as the Board deems proper and render a written decision on the matter to each party within thirty (30) days thereafter. No action of any type may be instituted by either party to such a dispute unless the dispute has first been submitted to and determined by the Board, as aforesaid.

ARTICLE IV

IMPROVEMENT DESCRIPTIONS

Section 1. Buildings. There shall be one residential building, which contains two Units. The units contained in this phase and to be built in the additional phases are two unit and four unit buildings. There are three different size units, with one containing two bedrooms with an attached one-car garage, one containing two bedrooms with an attached two-car garage and one containing three bedrooms with an attached two-car garage. The garages shall be considered to be part of the "Unit." The buildings are to be built on a concrete slab (or with a basement) and are of wood frame construction with bricks, wood composition siding, vinyl trim and asphalt shingle roofs. Each dwelling unit has a front stoop and a rear partially wood-fenced patio area/porch.

Section 2. Other. Also on the Condominium Property are sidewalks, green and landscaped areas, and private asphalt drives and parking areas.

ARTICLE V

UNITS

Section 1. Unit Designations. Each of the two dwelling units, each of which is called "a Unit", is designated by a building number and a Unit letter. The unit designation of each Unit is shown on the Drawings where that Unit is located. Information concerning the Units, with a listing of proper Unit designations, is shown on the attached "Exhibit B."

Section 2. Composition of Units.

(a) Unit Composition. Each Unit constitutes a single freehold estate and consists of the space in the building

designated by that Unit's designation on the Drawings that is bounded by the undecorated interior surfaces of the perimeter walls, the unfinished surface of the floor at the basement or lowest level, and the unfinished interior surface of the ceiling of the highest level, all projected, if necessary by reason of structural divisions such as interior walls and partitions, to constitute a complete enclosure of space, and all improvements within that space. Without limiting the generality of the foregoing, or, as appropriate, in addition, each Unit shall include:

- (1) The decorated surfaces, including paint, lacquer, varnish, wall covering, tile and other finishing material applied to floors, ceilings and interior and perimeter walls, carpeting, if any, and also the floors and ceilings themselves, and the drywall, paneling and other finishing wall material;
- (2) All windows and screens and doors, including garage doors and including storm doors and windows, if any, and the frames, sashes and jambs, and the hardware therefor;
- (3) All fixtures and appliances installed for the exclusive use of that Unit, commencing at the point of disconnection from the structural body of the building and from utility pipes, lines or systems serving the entire building or more than one Unit thereof, including, without limiting the generality hereof, built-in cabinets, dishwashers, garbage disposal units, refrigerators, stoves and microwaves, television cables, furnaces, hot water heaters, air-conditioning units (even though located outside the bounds of a Unit), and components of the foregoing, if any;
- (4) All plumbing, electric, heating, cooling and other utility or service lines, pipes, wires, ducts, conduits and apparatus, wherever located, which serve only that unit;
- (5) All control knobs, switches, thermostats and electrical outlets and connections affixed to or projecting from the walls, floors and ceilings which service either the Unit or the fixtures located therein;
- (6) All interior walls that are not necessary for support of the structure, and all components thereof and all space encompassed thereby;
- (7) The portion of fireplaces and gas logs, if any, actually within the interior of a Unit and the vents and dampers therefore accessible from the Unit's interior;
- (8) The attic space or storage space above a Unit, and the crawl space or basement below a Unit, if any, to which the Unit has direct and exclusive access;

excluding therefrom, however, all of the following items, whether or not located within the bounds of that unit:

- (1) any supporting element of the building contained in interior walls;
- (2) all plumbing, electric, heating, cooling and other utility or service lines, pipes, sump pumps and accessories thereto, wires, ducts and conduits which serve any other Unit; and

(3) fireplace stacks and chimneys, if any.

(b) Unit Types, Sizes, Locations and Components. The type and composition are shown on the attached "Exhibit B." The location, dimensions, type and composition of each Unit are also shown on the Drawings, attached as "Exhibit D." Each Unit has direct access to a drive located in a Common Area, which leads directly to Hillcrest Drive or Davis Road, public roads.

ARTICLE VI

COMMON AND LIMITED COMMON AREAS

Section 1. Common Areas Description. All of the Condominium Property, including all of the land and all improvements thereon and appurtenance thereto, except those portions labeled or described therein or on the Drawings a part of a Unit, are Common Areas.

Section 2. Limited Common Areas Description. Those portions of the Common Areas that are labeled or designated "limited common areas" on the Drawings, are Limited Common Areas. In the case of each Unit, those Limited Common Areas consist of stoops, patio, driveways, designated parking spaces and porch areas. Each such Limited Common Area is reserved for the exclusive use of the owners and occupants of the Unit to which it is appurtenant.

Section 3. Undivided Interest. The undivided interest in the Common Areas of each Unit (rounded to the nearest one thousandth of a percent) is shown on the attached "Exhibit B," and, in each case, is based on par values that Declarant has assigned to each Unit (as also set forth on "Exhibit B"), primarily on the basis of the relative replacement costs of the Units which shall be deemed to be the fair market value, but adjusted also for simplicity and as necessary to make the total undivided interests equal exactly 100.00%. The Common Areas shall be owned by the Unit owners as tenants in common, and ownership thereof shall remain undivided. No Unit owner may waive or release any rights in the Common Areas. Further, the undivided interest in the Common Areas of a Unit shall not be separated from the Unit to which it appertains.

If, at a later time, the Condominium is expanded, as hereinafter provided, the undivided interests of Units in the Common Areas shall be uniformly reallocated so that the undivided interest of each Unit added shall be the same as each other Unit, and so that the undivided interest of a Unit is in the same ratio as those interests are with respect to the Units initially a part of the Condominium; provided that interests shall be rounded to total exactly 100.00% and if necessary to make the total equal that figure, adjustments of one one-hundredth of a percent will be made to selected Units' undivided interests, in Declarant's sole discretion.

ARTICLE VII

UNIT OWNERS' ASSOCIATION

Section 1. Establishment of Association. The Association has been formed to be and to serve as the Unit owners' association of the Condominium. The Declarant is presently the sole member of the Association.

Section 2. Membership. Membership in the Unit Owners' Association shall be limited to the Unit owners, and every person or entity who is or becomes a record owner of a fee or undivided fee simple interest in a Unit is a Unit owner and shall be a member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as

security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of any Unit, and transfer of a Unit shall automatically transfer membership to the transferee.

Section 3. Voting Rights. Each fee simple unit owner's vote shall be directly proportionate to the percentage of ownership of that unit owner in the Common Areas as set forth on "Exhibit B." A unit owner owning less than a fee simple interest in the unit shall be entitled to a proportionate part of the unit's vote based on the percentage of ownership in the unit.

Section 4. Board of Trustees. The Board initially shall be those three persons named as the initial Trustees pursuant to the provisions of the Articles, or such other person or persons as may from time to time be substituted by Declarant. No later than the time that Units to which 25% of the undivided interests in the Common Areas appertain have been sold and conveyed by the Declarant, the Unit Owners shall meet, and the Unit Owners other than the Declarant shall elect one Trustee at such meeting to replace whichever Trustee Declarant designates.

Within the earlier of (a) five (5) years from the date of the establishment of the Association and (b) thirty (30) days after the sale and conveyance, to purchasers in good faith and for value, of Units to which ninety percent (90%) of the undivided interests in the Common Areas appertain, the Association shall meet and all Unit owners, including the Declarant, shall elect six Trustees to replace all of those Trustees earlier elected or designated by the Unit owners or Declarant, respectively. The terms of the six trustees shall be staggered so that the terms of one-third of the Trustees will expire and successors will be elected at each annual meeting of the Association. Thereafter, at such annual meetings, successors to the two Trustees whose terms then expire shall be elected to serve three-year terms. Notwithstanding the foregoing, the members, by the vote of members exercising not less than a majority of the voting power of members, may, from time to time, change the number and terms of Trustees provided that in any such event the terms of not less than one-third of the Trustees shall expire annually.

For purposes of computing undivided interest pursuant to the two immediately preceding paragraphs, those interests shall be computed by comparing the number of residential Units sold and conveyed to the maximum number of residential Units that may be in the Condominium.

Notwithstanding the foregoing, Declarant shall have the right at any time to waive its right to select one or more Trustees or to vote in an election of Trustees.

Section 5. Authority. The Board shall have all authority to manage, maintain, repair, replace, alter and improve the Common Areas and assess and collect funds for the payment thereof and do all things and exercise all rights provided by the Condominium organizational documents, or the Condominium Act, that are not specifically reserved to Unit owners.

Section 6. Delegation of Authority; Professional Management. The Board may delegate all or any portion of its authority to discharge its responsibilities to a managing agent. This delegation of authority and responsibility to a managing agent may be evidenced by one or more management contracts which may provide for the payment of reasonable compensation to such managing agent as a common expense, provided, however, that any agreement for professional management shall be terminable by the Association for cause on thirty (30) days' written notice; shall be terminable by either party, without penalty, on ninety (90) days' written notice; shall not exceed one year unless renewed by agreement of the parties for successive one-year periods; and

shall be bona fide and commercially reasonable at the time entered into under the circumstances then prevailing. Subject to the foregoing, nothing contained herein shall preclude Declarant or any other entity designated by Declarant from being employed as managing agent. The managing agent, or the Board, if there is no managing agent, shall have the authority to enter into contracts with Declarant or an affiliate of Declarant, as defined by an institutional first mortgagee or an agency or organization which purchases or insures first mortgages for goods, services or for any other thing, including, without limiting, the generality of the foregoing, contracts for the providing of management, maintenance and repair services, provided the same are bona fide and commercially reasonable to the Unit owners at the time entered into under the circumstances then prevailing, do not exceed a two-year period and are terminable by the Association, without cause and without penalty, on ninety (90) days' written notice.

MAINTENANCE AND REPAIR

Section 1. Association Responsibility. The Association, to the extent and at such times as the Board, in its exercise of business judgment, determines to allocate funds therefor, shall maintain, repair and replace all improvements constituting a part of the Common Areas, including but not limited to utility facilities serving more than one Unit, utility lines in the Common Areas, lawns, shrubs, trees, walkways, drives, parking areas, fireplace stacks, liners and chimneys, if any, and the structural portions and exterior portions of all buildings and improvements which are a part of the Common Areas and that do not constitute part of a Unit, and the structural components of improvements constituting a part of the Limited Common Areas; provided that the Association shall not be responsible for the repair and replacement of non-structural components of improvements a part of the Limited Common Areas, nor for the cleaning, housekeeping and routine maintenance of Limited Common Areas or components thereof. The Association shall maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements a part of the Common Areas and structural components of improvements a part of the Limited Common Areas. Except to the extent, if any, that a loss is covered by insurance maintained by the Association, the Association shall not have responsibility to repair or maintain any Unit, or component thereof, or personal property within a Unit.

Section 2. Individual Responsibility. Each Unit owner shall repair and maintain the Unit or Units, and all components thereof, owned by that Unit owner, perform cleaning and housekeeping-type maintenance with respect to Limited Common

Areas appurtenant to that owner's Unit. Without limiting the generality of the foregoing, this repair and maintenance responsibility of a Unit Owner shall include repair, maintenance and replacement of all windows, screens and doors, including the frames, sashes and jambs, and the hardware therefor and the outdoor light fixtures and bulbs attached to each unit. In the event a Unit Owner shall fail to make a repair or perform maintenance required of that Unit Owner, or in the event the need for maintenance or repair of any part of the Common Areas or Limited Common Areas is caused by the negligent or intentional act of any Unit Owner or occupant or is as a result of the failure of any Unit Owner or occupant or is as a result of the failure of any Unit Owner or his, her or its predecessors in title to timely pursue to conclusion a claim under any warranty, express, implied, or imposed by law, the Association may perform the same, and if the cost of such repair or maintenance is not covered by insurance, the cost thereof shall constitute a special individual Unit assessment, as hereinafter defined, on the Unit owned by such Unit Owner. The determination that such maintenance or repair is necessary or has been so caused shall be made by the Board. The Board shall have the authority to designate what maintenance and repair of the Limited Common Areas is the responsibility of the Unit Owners.

ARTICLE X

UTILITY SERVICES

Each Unit Owner by acceptance of a deed to a Unit agrees to pay for utility services separately metered or separately charged by the utility company to that Unit, and to reimburse the Association for that owner's Unit's share of any utility cost that the Board reasonably determines is attributable to that owner's Unit. All other utility costs shall be common expenses and paid by the Association.

ARTICLE XI

INSURANCE; LOSSES BONDS

Section 1. Fire and Extended Coverage Insurance. The Board shall have the authority to and shall obtain insurance for all buildings, structures, fixtures and equipment, and common personal property and supplies now or at any time hereafter constituting a part of the Common Areas, the Limited Common Areas, or common property of the Association, against loss or damage by fire, lightning and such other perils as are ordinarily insured against by standard extended coverage endorsements, and all other perils which are customarily covered with respect to projects similar in construction, location and use, including all perils normally covered by the standard "all risk" endorsement, where such is available, issued in the locale of the Condominium Property, in amounts at all times sufficient to prevent the Unit owners from becoming co-insurers under the terms of any applicable coinsurance clause or provision and not less than one hundred percent (100%) of the current replacement cost of such items (exclusive of land, foundations, footings, excavations and other items normally excluded from coverage), as determined from time to time by the insurer. This insurance:

(a) shall provide coverage for built-in or installed improvements, fixtures and equipment that are originally installed as part of a Unit, and shall provide for coverage of interior walls, windows and doors and the frames, sashes, jambs and hardware therefor, even though these improvements may be parts of Units;

(b) shall have an agreed amount of inflation guard endorsement, when that can be obtained, construction code

endorsements, if there is a construction code provision that requires changes to undamaged portions of buildings even when only part of the Condominium Property is destroyed by an insured hazard, such as demolition cost, contingent liability from operation of building laws and increased cost of construction endorsements and, when applicable, a steam boiler and machinery coverage endorsement, which provides that the insurer's minimum liability per accident at least equals the lesser of one million dollars or the insurable value of the building or buildings housing the boiler or machinery;

(c) shall provide that no assessment may be made against a first mortgage lender or its insurer or guarantor, and that any assessment under such policy made against others may not become a lien on a Unit and its appurtenant interests superior to a first mortgage;

(d) shall be written in the name of the Association for the use and benefit of the Unit Owners, or its authorized representative, including any insurance trustee with whom the Association has entered into an insurance trust agreement, or any successor to such trustee, for the use and benefit of the individual unit owners;

(e) shall contain or have attached the standard mortgagee clause commonly accepted by institutional first mortgage holders, insurers and guarantors, which (i) must provide that the carrier shall notify the named insured and each first mortgagee named in the mortgage clause at least ten days in advance of the effective date of any reduction in, cancellation of, or substantial change in the policy, and (ii) must be endorsed to provide that any loss shall be paid to the Association (or its insurance trustee), as a trustee for each Unit Owner and each such Unit Owner's mortgagee and, unless otherwise prohibited by a nationally recognized institutional first mortgage holder, insurer or guarantor, to the holders of first mortgages on Units;

(f) shall have a deductible amount no greater than the lesser of ten thousand dollars (\$10,000.00) or one percent (1%) of the policy face amount;

(g) shall be paid for by the Association, as a common expense;

(h) shall contain a waiver of subrogation of rights by the carrier as to the Association, its officer and Trustees, and all Unit Owners;

(i) shall provide that the insurance shall not be prejudiced by any acts or omissions of individual Unit Owners who are not under the control of the Association; and

(j) shall be primary, even if a Unit Owner has other insurance that covers the same loss.

Section 2. Liability Insurance. The Association shall obtain and maintain, at Association cost and as a common expense, a comprehensive policy of general liability insurance covering all of the Common Areas, public ways and any other areas under the Association's supervision, even if leased to others, insuring the Association, the Trustees and the Unit Owners and occupants, with such limits as the Board may determine, but no less than the greater of (a) the amounts generally required by institutional first mortgage holders, insurers and guarantors for projects similar in construction, location and use, and (b) one million dollars for bodily injury, including deaths of persons, and property damage, arising out of a single occurrence. This insurance shall contain a "severability of interest" provision, or if it does not, an endorsement which shall preclude the insurer from denying the claim of a Unit Owner because of negligent acts of the Association, the Board, or other Unit

Owners, and shall include, without limitation, coverage for legal liability of the insureds for property damage, bodily injuries and deaths of persons resulting from the operation, maintenance or use of the Common Areas, and legal liability arising out of lawsuits related to employment contracts in which the Association is a party. Each such policy must provide that it may not be cancelled or substantially modified by any party without at least ten days' prior written notice to the Association and to each holder of a first mortgage on a Unit.

Section 3. Fidelity Bond. The Board shall obtain and maintain at the Association's cost and as a common expense a fidelity bond providing coverage for the Association against dishonest acts on the part of directors, Managers, trustees, employees, agents and volunteers responsible for or handling funds belonging to or administered by the Association. The fidelity bond must name the Association as the named obligee or insured and shall be written in an amount sufficient to provide protection, which is in no event less than the quarter of (a) and amount equal to the Association's reserve funds plus three months' assessments on all Units, and (b) the maximum amount that will be in the custody of the Association or its managing agent at any time while the bond is in force. In connection with such coverage, an appropriate endorsement to the policy to cover any persons who serve without compensation shall be added if the policy would not otherwise cover volunteers. The bond or policy shall provide that it shall not be cancelled or substantially modified (including cancellation for non-payment of premium) without at least ten (10) days' prior written notice to the Association, and any insurance trustee, and any services on behalf of any holder, guarantor or insurer of any mortgage on a Unit who requires such rights.

Any management agent that handles funds of the Association shall maintain a fidelity bond providing coverage no less than that required of the Association, which bond names the Association as an additional obligee.

Section 4. Hazard Insurance Carrier. Each policy of hazard insurance obtained pursuant hereto shall be obtained from an insurance company authorized to write such insurance in the State of Ohio which has a B general policyholder's rating and a III financial size category (or as an alternative an A general policyholder's rating) as determined by the then latest edition of Best's Insurance Reports, or its successor guide, or the insurer is reinsured by a company that meets those rating requirements and the insurer and reinsurer execute an assumption of liability agreement or a similar endorsement providing for 100 percent reinsurance of the insurer's policy and requiring the reinsurer to give the Unit owner, the first mortgage lender, and the insurer 90 days' written notice before canceling or otherwise terminating the reinsurance, or the coverage is underwritten by Lloyd's of London.

Section 5. Other Association Insurance. In addition, the Board may purchase and maintain contractual liability insurance, trustees' and officers' liability insurance and such other insurance as the Board may determine.

Section 6. Insurance Representative; Power of Attorney. There may be named, under any policy obtained by the Association as an insured on behalf of the Association, its authorized representative, including any trustee with whom the Association may enter into any insurance trust agreement, or any successor to such trustee, who shall have exclusive authority to negotiate losses under any such policy. Each Unit owner, by acceptance of a deed to a Unit, irrevocably appoints the Association or such designated representative, or such successor, as attorney-in-fact for the purpose of purchasing and maintaining such insurance, including: The collection and appropriate disposition of the proceeds thereof; the negotiation of losses and execution of

releases of liability; the execution of all documents; and the performance of all other acts necessary to accomplish such purpose. The Association, or such designated representative, or such successor shall receive, hold or otherwise properly dispose of any proceeds of insurance, in trust, for Unit owners and their first mortgage holders, as their interests may appear. This power is for the benefit of each and every Unit owner and their respective first mortgage holders and the Association and the Condominium, runs with the land, and is coupled with an interest.

Section 7. Unit Owners' Insurance. Any Unit owner or occupant may carry such insurance in addition to that provided by the Association pursuant hereto as that Unit owner or occupant may determine, subject to the provisions hereof, and provided that no Unit owner or occupant may at any time purchase individual policies of insurance against loss by fire or other casualty covered by the insurance carried pursuant hereto by the Association. In the event any Unit owner or occupant violates this provision, any diminution in insurance proceeds resulting from the existence of such other insurance shall be chargeable to the Unit owner who acquired or whose occupant acquired such other insurance, who shall be liable to the Association to the extent of any diminution and/or loss of proceeds. Without limiting the foregoing, a Unit owner or occupant may obtain insurance against liability for events occurring within a Unit, losses with respect to personal property and furnishings and losses to improvements owned by the Unit owner or occupant, provided that if the Association obtains insurance for permanent improvements and built-in fixtures and equipment, then the insurance obtained by the Unit owner with respect to improvements within the Unit shall be limited to the type and nature of coverage commonly referred to as "tenants' improvements and betterments". All such insurance separately carried shall contain a waiver of subrogation rights by the carrier as to the Association, its officers and Trustees, and all other Unit owners and occupants.

Section 8. Sufficient Insurance. In the event the improvements forming a part of the Common Areas or any portion thereof shall suffer damage or destruction from any cause or peril insured against and the proceeds of any policy or policies insuring against such loss or damage and payable by reason thereof shall be sufficient to pay the cost of repair or restoration or reconstruction, then such repair, restoration or reconstruction shall be undertaken by the Association and the insurance proceeds shall be used in payment therefor; provided, however, that in the event within sixty (60) days after such damage or destruction, the Unit owners and eligible holders of first mortgages, if they are entitled to do so pursuant to the provisions of this Declaration, shall elect to terminate the Condominium, then such repair, restoration or reconstruction shall not be undertaken.

Section 9. Insufficient Insurance. In the event the improvements forming a part of the Common Areas or any portion thereof shall suffer damage or destruction from any cause or peril which is not insured against or, if insured against, the insurance proceeds from which shall not be sufficient to pay the cost of repair, restoration or reconstruction, then, unless the Unit owners and eligible holders of first mortgages, if they are entitled to do so pursuant to the provisions of this Declaration, shall elect within sixty (60) days after such damage or destruction not to make such repair, restoration or reconstruction, the Association shall make repairs, restoration or reconstruction of the Common Areas so damaged or destroyed at the expense (to the extent not covered by insurance) of all Unit owners in proportion to their respective undivided interests in the Common Areas. Should any Unit owner refuse or fail after reasonable notice to pay that Unit owner's share of such cost in excess of available insurance proceeds, the amount so advanced by the Association shall be assessed against the Unit of such Unit owner and that assessment shall have the same force and effect,

and, if not paid, may be enforced in the same manner as herein provided for the nonpayment of assessments.

Section 10. Lender Requirements. Notwithstanding the foregoing provisions of this Article, the Association shall at all times maintain hazard insurance, liability insurance and fidelity bond coverage conforming with the requirements then governing the making of a first mortgage loan or the purchase, guaranty or insurance of first mortgages by national institutional lenders, guarantors or insurers of first mortgage loans on condominium units.

ARTICLE XII

DAMAGE; RESTORATION; REHABILITATION AND RENEWAL

Section 1. Restoration of Substantial Damage or Destruction. In the event of substantial damage to or destruction of all Units in a residential building or the taking of one or more Units in any condemnation or eminent domain proceedings, the Association shall promptly restore or replace the same, unless an election is made not to do so, as hereinafter provided.

Section 2. Election Not to Restore. The Association may, with the consent of Unit owners entitled to exercise not less than eighty percent (80%) of the voting power of Unit owners and the consent of eligible holders of first mortgage liens hereinafter provided, determine not to repair or restore such damage or destruction, or reconstruct such Unit or Units. In such an event, all of the Condominium Property shall be sold as upon partition. In the event of such an election not to repair or restore substantial damage or destruction or reconstruct such Unit or Units, the net proceeds of insurance paid by reason of such damage or destruction, or the net amount of any award or proceeds of settlement arising from such proceedings, shall be added to the proceeds received from the sale as upon partition and the total amount distributed among the owners of the Units and the holders of their respective first mortgage liens (as their interests may appear) in the proportions of their undivided interest in the Common Areas.

Section 3. Rehabilitation and Renewal. The Association, with the Consent of Unit owners entitled to exercise not less than seventy-five percent (75%) of the voting power of Unit owners, and the consent of eligible holders of first mortgage liens hereinafter provided, may determine that the Condominium is obsolete in whole or in part and elect to have the same renewed and rehabilitated. The Board shall thereupon proceed with such renewal and rehabilitation and the cost thereof shall be a common expense.

ARTICLE XIII

CONDEMNATION

Section 1. Standing. Except as hereinafter provided, the Association, or its designated representative, or authorized successor, as trustee, shall represent the Unit owners in any condemnation or eminent domain proceedings or in negotiations, settlements and agreements with the condemning authority for acquisition of all or any part of the Condominium Property, and shall have the sole and exclusive right to settle losses with the condemning authority and to receive the award or proceeds of settlement, for the use and benefit of the Unit owners and their mortgagees as their interests may appear. Notwithstanding the foregoing, in the event that a Unit owner may lawfully separately pursue and realize upon a claim for incidental and consequential losses or damage to that Unit owner resulting from a taking under

the power of eminent domain, such as for relocation and moving expenses, loss of favorable mortgage terms, and other such individual incidental or consequential losses, that Unit owner may at his, her or its election separately pursue such claim provided that the pursuing of the same or the realization of an award thereof, neither jeopardizes in any way an action by the Association to recoup the losses incurred by it, any other Unit owner, or the direct loss with respect to the Unit itself, or with regard to the useability thereof, nor diminishes any award for any such loss.

Section 2. Use of Proceeds. The award or proceeds of settlement in any actual or threatened condemnation or eminent domain proceedings, after reduction by the costs, if any, incurred in obtaining the same, shall be applied first to the cost of restoring or replacing all damaged or taken improvements on the remaining Condominium Property in accordance with the Drawings, or in accordance with any new plans and specifications therefor approved by Unit owners exercising no less than seventy-five percent (75%) of the voting power of Unit owners, and the consent of eligible holders of first mortgage liens hereinafter provided.

Section 3. Insufficient Proceeds. If the award or proceeds are insufficient for such purpose, the excess cost shall be paid by the Association and, to the extent funds of the Association are insufficient therefor, in the judgment of the Board, such excess cost shall be a common expense and assessed among the Units in the same manner as special assessments for capital improvements are assessed. Except as hereinafter provided in the balance of any such award or proceeds of settlement, if there is an excess, shall be allocated and disbursed to the Unit owners and their first mortgagees as their interests may appear, in proportion to their relative undivided interests of the Units in the Common Areas.

Section 4. Non-Restorable Unit. Notwithstanding the foregoing, in the event that as a result of any such taking, and consequent restoration or replacement, any Unit could not reasonably be restored to a condition comparable to that which existed prior to the taking or could not be replaced prior to the allocations and disbursement of any sum to any other Unit owner or his, her or its mortgagee, there shall be allocated and disbursed from such award or proceeds to each Unit owner whose Unit cannot be so restored or replaced, and his, her or its respective first mortgagee, as their interests may appear, such amount as is equal to the then fair market value of the Unit that cannot be so restored or replaced. Thereupon, such Unit or Units, and the owners thereof, shall be immediately and automatically divested of any interest in the Condominium, the Condominium property, and the Association, including, without limiting the generality of the foregoing, divestment of an undivided interest, vote, membership in the Association and liability for common expenses. All such rights and interest shall be reallocated among all other Units and Unit owners in the same relative proportions as those rights and interests were prior to such taking. To illustrate, upon a Unit being divested from the Condominium (a) the voting right of that unit will be equally allocated among all other Units, since each Unit prior thereto had an equal vote, and (b) the undivided interest of that Unit will be reallocated among all other units in the proportions of their relative undivided interests prior to such taking.

Section 5. Power of Attorney. Each Unit owner, by acceptance of a deed to a Unit, appoints the Association or its designated representative or authorized successor as his, her or its attorney-in-fact to represent that Unit owner, settle losses, receive and utilize the award or proceeds of settlement and do all things necessary or desirable for such attorney-in-fact to exercise the rights and fulfill the responsibilities of the Association set forth in this Article with respect to

condemnation or eminent domain proceedings. This power is for the benefit of each and every Unit owner, each holder of a first mortgage on a Unit, the Association and the real estate to which it is applicable, runs with land, is coupled with an interest, and is irrevocable.

ARTICLE XIV

GRANTS AND RESERVATIONS OF RIGHTS AND EASEMENTS

Section 1. Easements of Enjoyment; Limitations. Every Unit owner shall have a right and easement of enjoyment in, over and upon the Common Areas and an unrestricted right of access to and from his, her or its Unit, which rights and easements shall be appurtenant to and shall pass with the title to a Unit, subject to the right of the Board to make reasonable rules and regulations concerning the use and management of the Common Areas, provided that no such rules or regulation shall limit or prohibit the right of ingress and egress to Unit or any part thereof or to that Unit's parking facilities. Any Unit owner may delegate that Unit owner's right of enjoyment to the Common Areas and to ingress and egress to the occupants of that owner's Unit.

Section 2. Right of Entry for Repair, Maintenance and Restoration. The Association shall have a right of entry and access to, over, upon and through all of the Condominium Property, including each Unit to enable the Association to perform its obligations, rights and duties pursuant hereto with regard to maintenance, repair, restoration and/or servicing of any items, things or areas of or in the Condominium Property. In the event of an emergency, the Association's right of entry to a Unit and its appurtenant Limited Common Areas may be exercised without notice; otherwise, the Association shall give the owners or occupants of a Unit no less than twenty-four hours advance notice prior to entering a Unit or its appurtenant Limited Common Areas.

Section 3. Easements for Encroachments. Each Unit and the Common Areas shall be subject to and benefitted by easements for encroachments on or by any other Unit and upon the Common Areas created or arising by reason of overhangs; or by reason of deviations in construction, reconstruction or repair; or by reason of shifting, settlement or movement of the structures; or by reason of errors in the Drawings. Valid easements for these encroachments and for the maintenance of same, so long as the encroachments remain, shall and do exist.

Section 4. Easement for Support. Every portion of a building or utility line or any improvement on any portion of the Condominium Property contributing to the support of another building, utility line or improvement on another portion of the Condominium Property shall be burdened with an easement of support for the benefit of all other such buildings, utility lines, improvements and other portions of the Condominium Property.

Section 5. Easements for Utilities. Easements to the Association shall exist upon, over and under all of the condominium Property for ingress to and egress from, and the installation replacing, repairing and maintaining of, all utilities, including, but not limited to water, sewer, gas telephone, electricity, security systems, master television antennas and cable television, and the road system and all walkways, and for all other purposes necessary for the proper operation of the Condominium Property. By these easements it shall be expressly permissible for the Association to grant to the providing companies and contractors permission to construct and maintain the providing companies and contractors permission to construct and maintain the necessary appurtenances and improvements on, above, across and under the Condominium

Property, so long as such appurtenances and improvements do not unreasonably interfere with the use and enjoyment of the Condominium Property. Should any company furnishing a service request a specific easement, permit or license, the Board shall have the right to grant such easement, permit or license without conflicting with the terms hereof.

Section 6. Easement for Garages and Parking. Easements are hereby declared and created for ingress and egress into and from each unit owner's garage for the benefit of said unit owner and his guests. No other unit owner or unit owners, invitees, assigns or guests shall block or deny access, ingress or egress to another unit owner to said unit owner's garage. Further easements are hereby declared and created for the benefit of all unit owners and their invitees and guests to park automobiles for a period of no more than twenty-four (24) hours in designated parking areas in the common areas.

Section 7. Easement for Services. Non-exclusive easements are hereby granted to all police, firemen, ambulance operators, mailmen, delivery men, garbage and trash removal personnel and all similar persons, and to the local governmental authorities and the Association, but not to the public in general, to enter upon the common Areas in the performance of their duties.

Section 8. Easements Reserved to Declarant. Non-exclusive easements are hereby reserved to Declarant, its successors and assigns, over and upon the common Areas and Limited Common Areas (a) for a one-year period of time from the date of the closing by Declarant of the first sale of a Unit to a bona fide purchaser; for access for and for the purpose of completing improvements for which provision is made in this Declaration, (b) for the periods provided for warranties hereunder, or by law, for purposes of making repairs required pursuant to warranties, and (c) for the initial sales and rental period, but for no longer than four years from the time of the closing of the first sale of a Unit to a bona fide purchaser, to maintain and utilize one or more Units and appurtenances thereto, for sales and management offices and for storage and maintenance and model Units, parking areas for sales and rental purposes and advertising signs.

In addition, a non-exclusive perpetual easement is hereby reserved to Declarant, its successors and assigns, for their benefit and the benefit of future owners and occupants of the area into which the condominium may be expanded (the Additional Property) for pedestrian and vehicular access over the streets and walkways that may from time to time be a part of the Condominium Property, for ingress to and egress from the Additional Property, and each part thereof, and a public street, and to extend the same onto the Additional Property. Additionally, Declarant, for itself and its successors and assigns, reserves the right until such time as control of the Condominium Property is assumed by the Association, to extend utility lines from the Common Areas onto the Additional Property, and thereafter to service and maintain the same.

All rights and easements reserved to Declarant, its successors and assigns, pursuant to this section, shall be exercised and utilized, as the case may be, in a reasonable manner, and in such way as not to unreasonably interfere with the operation of the Association and the rights of owners and occupants of Units.

Section 9. Power of Attorney. Each Unit owner, by acceptance of a deed to a Unit, appoints the President of the Association, his, her or its attorney-in-fact to execute, deliver, acknowledge and record, for and in the name of such Unit owner, such deeds of easement, licenses, permits and other instruments as may be necessary or desirable, in the sole discretion of the Board or its authorized representative to further establish or effectuate the foregoing easements and

rights. This power is for the benefit of each and every Unit owner, the Association and the real estate to which it is applicable, runs with the land, is coupled with an interest, and is irrevocable.

Section 10. General. The easements and grants provided herein shall in no way affect any other recorded grant or easement. Failure to refer specifically to any or all of the easements and/or rights described in this Declaration in any deed of conveyance or in any mortgage or other evidence of obligation shall not defeat or fail to reserve said rights or easements but the same shall be deemed conveyed or encumbered, as the case may be, along with the Unit.

ARTICLE XV

ASSESSMENTS AND ASSESSMENT LIENS

Section 1. Types of Assessments. The Declarant for each Unit within the Condominium hereby covenants and agrees, and each Unit owner by acceptance of a deed to a Unit (whether or not it shall be so expressed in such deed) is deemed to covenant and agree, to pay to the Association: (1) annual operating assessments, (2) special assessments for capital improvements, and (3) special individual Unit assessments, all of such assessments to be established and collected as hereinafter provided.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety and welfare of Unit owners and occupants and the best interests of the Condominium Property.

Section 3. Elements - Apportionment: Due Dates.

(a) Annual Operating Assessments.

(1) Prior to the time any Unit owner other than Declarant is to be charged assessments by the Association, and prior to the beginning of each fiscal year of the Association after the period for which the first assessments are levied, the Board shall estimate, and prorate among all Units on the basis of the undivided interest of each Unit in the Common Areas, common expenses of the Association consisting of the following:

- a. the estimated next fiscal year's cost of the maintenance, repair and other services to be provided by the Association;
- b. the estimated next fiscal year's costs for insurance and bond premiums to be provided and paid for by the Association;
- c. the estimated next fiscal year's costs for utility services not separately metered or charged to Unit owners;
- d. the estimated amount required to be collected to maintain a general operating reserve to assure availability of funds for normal operations of the Association, in an amount deemed adequate by the Board, but in no event less than an amount equal to two months' currently estimated assessments on all Units;
- e. an amount deemed adequate by the Board to maintain a reserve for the cost of unexpected repairs and replacements of capital improvements and for the repair and replacement of major improvements for which cash reserves over a period of time in excess of one year ought to be maintained; and

f. the estimated next fiscal year's costs for the operation, management and administration of the Association, including, but not limited to, fees for property management, fees for legal and accounting services, costs of mailing, postage, supplies and materials for operating the Association, and the salaries, wages, payroll charges and other costs to perform these services, and any other costs constituting common expenses not otherwise herein specifically excluded.

(2) The Board shall thereupon allocate to each Unit that Unit's share of all of these items, prorated in accordance with each respective Unit's undivided interest in the Common Areas, and thereby establish the annual operating assessment for each separate Unit. For administrative convenience, any such assessment may be rounded so that monthly installments will be in whole dollars.

(3) The annual operating assessment shall be payable in advance, in equal monthly installments, provided that nothing contained herein shall prohibit any Unit owner from prepaying assessments in annual, semiannual or quarterly increments. The due dates of any such installments shall be established by the Board, and unless otherwise provided, the Association shall collect on or before the first day of each month from those who own the Unit an equal monthly prorata share of the annual operating assessment for each separate Unit.

(4) If the amounts so collected are, at any time, insufficient to meet all obligations for which those funds are to be used, the deficiency shall be assessed by the Board among the Units on the same basis as heretofore set forth provided that if common expenses are incurred by the Association prior to the time the Association commences to levy assessments against the Units, Declarant shall pay the same (subject to its right, if any to reimbursement from Unit purchasers contained in individual contracts for the sale of a Unit or Units).

(5) If assessments collected during any fiscal year are in excess of the funds necessary to meet the anticipated expenses for which the same have been collected, the excess shall be retained as reserves, and shall in no event be deemed profits not available, except on dissolution of the Association, for distribution to Unit owners.

(6) So long as the Declarant is in control of the Association, Declarant shall not use any general operating reserve funds to defray Declarant's expenses, reserve contributions or construction costs, or to make up any budget deficits.

(b) Special Assessments for Capital Improvements.

(1) In addition to the annual operating assessments, the Board may levy, in any fiscal year, special assessments to construct, reconstruct or replace capital improvements on the Common Areas to the extent that the reserves therefor are insufficient, provided that new capital improvements not replacing existing improvements shall not be constructed nor funds assessed therefor, if the cost thereof in any fiscal year would exceed an amount equal to five percent (5%) of that fiscal year's budget, without the prior consent of Unit owners exercising no less than seventy-five percent (75%) of the voting power of Unit owners and the consent of eligible mortgagees hereinafter provided.

(2) Any such assessment shall be prorated among all Units in proportion to their respective undivided interests in the Common Areas, and shall become due and payable on such date or dates as the Board determines following written notice to the

Unit owners.

(c) Special Individual Unit Assessments. The Board shall levy assessments against an individual Unit or Units to reimburse the Association for those costs incurred in connection with that Unit or Units properly chargeable by the terms hereof to a particular Unit (such as, but not limited to, the cost of making repairs the responsibility of a Unit owner and a Unit owner's enforcement and arbitration charges). Any such assessment shall become due and payable on such date as the Board determines, and gives written notice to the Unit owners subject thereto. Additionally, during the first years of the Condominium's existence, and until such time as real estate taxes and assessments are split into separate tax bills for each Unit, the Association shall have the right to pay the real estate taxes and assessments attributable to the Condominium Property in the event the same have not been paid, when due, and assess each Unit owner for his, her or its share of such real estate taxes and assessments as a special individual Unit assessment. The share of those taxes and assessments attributable to a Unit shall be computed by multiplying the total taxes and assessments for all of the Condominium Property by the undivided interest in Common Areas attributable to that Unit. The calculation by the Association of the Units' shares of taxes and assessments shall be binding upon all Unit owners.

Section 4. Effective Date of Assessment. Any assessment created pursuant hereto shall be effective, provided it is created as provided herein, if written notice of the amount thereof is sent by the Board to the Unit owner subject thereto at least ten (10) days prior to the due date thereof, or the due date of the first installment thereof, if to be paid in installments. Written notice mailed or delivered to a Unit owner's unit shall constitute notice to that Unit owner, unless the Unit owner has delivered written notice to the Board of a different address for such notices, in which event the mailing of the same to that last designated address shall constitute notice to that Unit owner.

Section 5. Effect of Nonpayment of Assessment; Remedies of the Association.

(a) If any assessment or any installment of any assessment is not paid within ten (10) days after the same has become due, the Board at its option, without demand or notice, may (i) declare the entire unpaid balance of the assessment immediately due and payable (ii) charge interest on the entire unpaid balance (or on an overdue installment, alone, if it hasn't exercised its option to declare the entire unpaid balance due and payable), at the highest rate of interest then permitted by law, or at such lower rate as the Board may from time to time determine, and (iii) charge a reasonable, uniform, late fee as determined from time to time by the Board.

(b) Annual operating and both types of special assessments, together with interest, late fees and costs, including attorney fees, shall be a charge in favor of the Association upon the Unit against which each such assessment is made.

(c) At any time after any assessment or an installment of an assessment levied pursuant hereto remains unpaid for ten (10) or more days after the same has become due and payable, a certificate of lien for all or any part of the unpaid balance of that assessment, interest, late fees, and costs, including attorney fees, may be filed with the recorder of the county in which the Condominium Property is located, pursuant to authorization given by the Board. The certificate shall contain a description of the Unit against which the lien exists, the name or names of the record owner or owners thereof, and the amount of the unpaid portion of the assessments and charges, and shall be signed by the president or other chief officer of the

Association.

(d) The lien provided for herein shall become effective from the time a certificate of lien or renewal certificate was duly filed therefor, and shall continue for a period of five (5) years unless sooner released or satisfied in the same manner provided by law in the State of Ohio for the release and satisfaction of mortgages on real property or discharged by the final judgment or order of a court in an action brought to discharge the lien.

(e) Any Unit owner who believes that an assessment chargeable to his, her or its Unit (for which a certificate of lien has been filed by the Association) has been improperly charged against that Unit, may bring an action in the court of common pleas of the county in which the Condominium Property is located for the discharge of that lien. In any such action, if it is finally determined that all or a portion of the assessment has been improperly charged to that Unit, the Court shall make such order as is just, which may provide for a discharge of record of all or a portion of that lien.

(f) Each such assessment together with interest, late fees and costs, including attorney fees, shall also be the joint and several personal obligation of the Unit owners who owned the Unit at the time when the assessment fell due. The obligation for delinquent assessments, interest, late charges and costs shall not be the personal obligation of that owner or owners' successors in title unless expressly assumed by the successors in title unless expressly assumed by the successors, or required by applicable law, provided however, that the right of the Association to a lien against that Unit, or to foreclose any lien thereon for these delinquent assessments, interest, late charges and costs, shall not be impaired or abridged by reason of the transfer, but shall continue unaffected thereby.

(g) The Association, as authorized by the Board, may file a lien or liens to secure payment of delinquent assessments, interest, late fees and costs, including attorney fees, bring an action at law against the owner or owners personally obligated to pay the same and an action to foreclose a lien or any one or more of these. In any foreclosure action, the owner or owners affected shall be required to pay a reasonable rental for that Unit during the pendency of such action, and the Association as plaintiff in any such foreclosure action shall be entitled to become a purchaser at the foreclosure sale. In any such foreclosure action, interest and costs of such action (including attorneys' fees) shall be added to the amount of any such assessment, to the extent permitted by Ohio law.

(h) No owner may waive or otherwise escape liability for the assessments provided for in this Declaration by non-use of the Common Areas, or any part thereof, or by abandonment of his, her or its Unit.

Section 6. Subordination of the Lien to First Mortgage.

The lien of the assessments and charges provided for herein shall be subject and subordinate to the lien of any duly executed first mortgage on a Unit recorded prior to the date on which such lien of the Association arises, and any holder of such first mortgage which comes into possession of a Unit pursuant to the remedies provided in the mortgage, foreclosure of the mortgage, or deed or assignment in lieu of foreclosure, and any purchaser at a foreclosure sale, shall take the property free of any claims for unpaid installments of 3 assessments and charges against the mortgaged Unit which became due and payable prior, in the case of foreclosure, to the date of the sale, and, in all other cases, to the date legal title vested in the successor owner.

Section 7. Certificate Regarding Assessments. The Board shall, upon demand, for a reasonable charge, furnish a

certificate signed by the president, treasurer, secretary or other designated representative of the Association, setting forth whether the assessments on a specified Unit have been paid. This certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

ARTICLE XVI

CONDOMINIUM INSTRUMENT REQUIREMENTS

Section 1. General. The Condominium Act requires that certain information be provided in the Condominium instruments. Much of this is provided elsewhere in the Condominium organizational documents and in other documents, but in order that all such information be provided in this Declaration, various items of that information are set forth in the following sections of this article.

Section 2. Deposits. Any deposit or down payment made in connection with a sale of a Unit by Declarant or its agent will be held in trust or escrow until delivered at the time of the closing of the sale or returned to or otherwise credited to the buyer, or forfeited to the Declarant. If, in the case of any such sale, a deposit or down payment of two thousand dollars or more is held for more than ninety (90) days, interest at the rate of at least four percent per annum for any period exceeding ninety (90) days shall be credited to the buyer at the time of the closing of the sale or upon return or other credit made to the buyer, or added to any forfeiture to the Declarant. Deposits held in trust or escrow pursuant to sales by Declarant or its agent shall not be subject to attachment by creditors of Declarant or the buyer.

Section 3. Association Control. Except in its capacity as a Unit owner of unsold Units, the Declarant or its agent will not retain a property interest in any of the Common Areas after control of the Association is assumed by the Association, except as expressly provided herein. The owners of Units that have been sold by the Declarant or its agent will assume control of the Association and the Common Areas, as elsewhere provided herein, in compliance with the requirements of the Condominium Act. Neither the Association nor the Unit owners will be subject to any management contract or agreement executed prior to the assumption of control of the Association by Unit owners other than Declarant for more than one year subsequent to that assumption of control unless such a contract or agreement is renewed by a vote of the Unit owners pursuant to the provisions of the By-Laws.

Section 4. Limited Warranties. Following are the limited warranties (and limitations thereon) which the Declarant gives to the buyers of a Unit from it, which are not binding upon the Declarant nor enforceable by the buyers unless and until the sale of the Unit to the buyers is closed:

A. Units. Except as provided in subparagraph C below, the Declarant warrants to provide and pay for the full cost of labor and materials for any repair or replacement of structural, mechanical and other elements pertaining to the Unit, occasioned or necessitated by a defect in material or workmanship, that arise within a period of one year from the date the deed to the buyers for that Unit is filed for record.

B. Common Areas and Facilities. The Declarant warrants to provide and pay for the full cost of labor and materials for any repair or replacement of the roof and structural components, and mechanical, electrical, plumbing and common service elements serving the Condominium as a whole, occasioned or necessitated by defects in material or workmanship, that arise within a period of two years from the date the deed is filed for record following

the first sale of a unit in the Condominium to a purchaser in good faith for value.

C. Appliances, etc. In the case of ranges, refrigerators, disposals and other appliances, if any, installed and furnished by the Declarant as part of the Unit, the Declarant assigns to the buyers all express and implied warranties of the manufacturer, and the Declarant's warranty with respect to such items is limited to the Declarant's warranty that the same have been properly installed.

D. Extended Warranties. The Declarant assigns to the buyers any warranties made to the Declarant that exceed the time periods for warranties that the Declarant has given to the buyers by this limited warranty.

E. Limitations.

(1) No responsibility is assumed for damage from any cause, whatsoever other than to repair or replace, at the Declarant's cost, items containing defects covered by Declarant's warranty.

(2) No responsibility is assumed for consequential or incidental damage except to the extent, if any, not permitted to be excluded or limited by law.

(3) Implied warranties, if any, are limited to one year from the date on which the Unit is deeded to the buyers, except to the extent, if any, that limitation is not lawful.

(4) No warranty, either express or implied, is made regarding the presence or absence of radon gas at or in the vicinity of the Unit.

(5) Any claim for breach of warranty not made, in writing, and received by Declarant within forty-eight (48) hours after expiration of the warranty period, shall be deemed waived.

(6) Any action brought with respect to any warranty extended pursuant hereto or by law shall be commenced within one year of the expiration of the applicable warranty period or be forever barred.

(7) Any request for service or claim of breach of warranty must be sent in writing to the Declarant at such address as the Declarant may designate, from time to time, in writing by the buyers. The Declarant or the Declarant's designated representative will commence performance of the Declarant's obligations under this warranty within thirty (30) days after receipt of the buyers' request for service, and complete the same as soon as reasonably possible. All repairs and adjustments will be made Monday through Friday, 8:00 A.M. to 5:00 P.M.

F. Other Rights. This written limited warranty gives the buyers specific legal rights and the buyers may also have other legal rights under law. These written warranties are the only express warranties the Declarant gives to the buyers unless additional warranties are included in a written contract between the Declarant and the buyers.

G. Common Areas Expansions. With respect to the repair or replacement of roof and structural components and mechanical, electrical, plumbing and common service elements in areas added to the Condominium, the two-year warranty shall commence on the date the deed or other evidence of ownership is filed for record following the sale of the first Unit in that area added to a

purchaser in good faith for value.

Section 5. Declarant's Obligations. Declarant will assume the rights and obligations of a Unit owner in its capacity as owner of Units not yet sold, including, without limitation, the obligation to pay common expenses attaching to such Units, from a date no later than that upon which common expenses are first charged with respect to any other Unit.

ARTICLE XVII

EXPANSION

Section 1. Reservation of Expansion Option. Declarant expressly reserves the option to expand the Condominium Property but only within the limitations and subject to the terms set forth in this article.

Section 2. Limitations on Option. Declarant has no limitations on its option to expand the Condominium Property except as provided in this article, or elsewhere in this Declaration, and except as otherwise so expressly limited, has the sole right, power and authority to expand the Condominium Property.

Section 3. Maximum Expansion Time. Except as hereinafter provided, Declarant's option to expand the Condominium Property shall expire and terminate at the end of five years from the date this Declaration is filed for record. Notwithstanding the foregoing, Declarant, with the consent of a majority of the Unit owners other than it, may extend its option to expand the Condominium Property for an additional three years if it exercises its right to so renew within six months prior to the expiration of that initial five-year period. Declarant shall have the right to waive its option to expand at any time. There are no other circumstances that will terminate the option prior to the expiration of the time limit.

Section 4. Legal Description. A legal description, by metes and bounds, of all of the land that, through exercise of Declarant's option, may be added to the Condominium Property by submission to the Condominium Act as part of this condominium, consisting of 18.7161 acres, is attached hereto and marked "Exhibit C," and, together with any improvements placed thereon and added hereto, is referred to herein as "the Additional Property."

Section 5. Composition of Portions Added. Neither all or any portion of the Additional Property must be added to the Condominium Property, nor, if any of the Additional Property is added, shall it be required that a particular portion of the Additional Property must be added, provided that portions added meet all other requirements set forth in this Article and provided, further, that all improvements in the Additional Property added to the Condominium Property shall be substantially completed prior to the addition. There are no limitations fixing the boundaries of portions added, or regulating the order in which portions are added.

Section 6. Time for Adding Portions. Portions of the Additional Property may be added to the Condominium Property from time to time, and at different times, within the time limits previously described.

Section 7. Improvement Location Limitations. There are no established or defined limitations as to the location of any improvements that may be made on any portion of the Additional Property added to the Condominium Property except such limitations as may then be in effect by reason of the laws and lawful rules and regulations of the appropriate governmental

bodies and authorities having jurisdiction.

Section 8. Maximum Number of Units. The maximum total number of Units that may be created on the Additional Property and added to the Condominium Property is ninety-six (96), for a total of ninety-eight (98) residential Units. The foregoing shall neither limit nor restrict nor be so construed as to limit, or restrict the number of dwelling units or other improvements that may be constructed on all or any portion of the Additional Property that is not added to the Condominium Property. Subject to the foregoing total maximum of Units that may be added to the Condominium Property, there is no limit as to the maximum number of units per acre that may be created on any portion of the Additional Property added to the Condominium Property other than as may, from time to time, be imposed by law.

Section 9. Non-Residential Uses. No Units may be created on the Additional Property or portions thereof and added to the Condominium Property that are not restricted exclusively to residential use.

Section 10. Compatibility of Structures. All structures erected on all or any portion of the Additional Property and added to the Condominium Property will be consistent and compatible with structures then on the Condominium Property in terms of quality of construction, the principal materials to be used and architectural style and design. Comparable style and design shall be deemed to exist if the exterior appearance of the structures on the Additional Property is compatible and harmonious with those then on the Condominium Property. Design shall not be deemed to be incompatible or not comparable because of changes in the number of dwelling units in a building, variances in setbacks or locations of structures in relations to other improvements or minor changes in design or finish detail.

Section 11. Improvements Other Than Structures. If all or a portion of the Additional Property is added to the Condominium Property, drives, sidewalks, yard areas and other improvements similar to those then on the Condominium Property shall be constructed on that Additional Property, and no other non-structural improvements. Improvements other than structures added to the Condominium Property shall not include improvements except of substantially the same kind, style, design and quality as those improvements then on the Condominium Property.

Section 12. Types of Units. All Units that are created on all or any portion of the Additional Property and added to the Condominium Property shall be of the same type as the Units then on the Condominium Property, or as otherwise described herein, provided, however, that any such Units shall be deemed of the same type, notwithstanding changes in interior layout, or minor changes in design or finish detail.

Section 13. Limited Common Areas. Declarant reserves the right with respect to all or any portion of the Additional Property added to the Condominium Property to create Limited Common Areas therein as noted below, and of substantially the same type and size as those areas then so designated as such in the Condominium Property, including, without limiting the generality of the foregoing, stoops, porches and patios. The precise size and number of such newly created Limited Common Areas cannot be ascertained precisely, because those facts will depend on how large each portion added may be, the size and location of the buildings and other improvements on each portion and other factors presently undetermined.

Section 14. Supplementary Drawings. At such time as Declarant adds all or any portion of the Additional Property to the Condominium Property it shall file drawings with respect to the Additional Property as required by the Condominium Act.

Section 15. Procedures for Expansion. All or any portion of the Additional Property shall be added to the Condominium Property by the execution and filing for record by the Declarant, or its successor as owner of the portion added and as assignee of the right to expand the Condominium, in the manner provided by the Condominium Act, of an amendment to the Declaration that contains the information and drawings with respect to the Additional Property and improvements thereon added as required by the Condominium Act.

Section 16. Effects of Expansion. Except as hereinafter specifically provided otherwise, upon the recording with the appropriate county recorder of an amendment to the Declaration adding all or any portion of the Additional Property to the Condominium Property:

(a) the added portion shall thereafter be subject to and benefitted by all of the terms and provisions hereof, to the same extent and with the same effect as if that added portion had been provided herein as constituting part of the Condominium Property, that is, the rights, easements, covenants, restrictions and assessment plan set forth herein shall run with, bind and benefit the added portion in the same manner, to the same extent and with the same force and effect as the terms of this Declaration apply to the Condominium Property, provided that non-exclusive easements are reserved to Declarant, its successors and assigns, over and upon the Common Areas and Limited Common Areas in the property added to the Condominium (a) for a one-year period of time from the date of the closing by Declarant of the first sale of a Unit in that property added to a bona fide purchaser, for access to and for the purpose of completing improvements in that portion added, (b) for the periods provided for warranties, or by law, for purposes of making repairs required pursuant to warranties, and (c) for the initial sales and rental period for Units in that property added, but for no longer than four years from the time of closing of the first sales of a Unit in that property added to a bona fide purchaser to maintain and utilize one or more of those Units and appurtenances thereto, for sales and management offices and for storage and maintenance and model Units, parking areas for sales and rental purposes and advertising signs.

(b) the owner or owners of a Unit or Units in the added portion shall thereupon become members, to the same extent, with the same effect, subject to the same obligations and imbued with the same rights, as all other members.

(c) the undivided interests of Units in the Common Areas, as so expanded, shall be reallocated as provided in Section of Article VI of this Declaration; and

(d) in all other respects, all of the provisions of this Declaration shall include and apply to such additional portions, and to the owners, mortgagees and lessees thereof, with equal meaning and of like force and effect.

Notwithstanding the foregoing, for administrative convenience, assessments with respect to Units added to the Condominium shall not commence until the calendar month next following the calendar month in which the amendment adding those Units is recorded with the appropriate County Recorder.

ARTICLE XVIII

NOTICES TO AND VOTING RIGHTS OF LENDING INSTITUTIONS

Section 1. Notices. Any eligible mortgagee, upon written request to the Association (which request states the name and

address of such eligible mortgagee and the Unit designation), shall be entitled to timely written notice by the Association of:

(a) any proposed addition to, change in or amendment of the Condominium organizational documents of a material nature, including any addition to, change in or amendment of any provision establishing, providing for, governing or regulating: (i) voting rights; (ii) assessments, assessment liens or priority of such liens; (iii) reserves for maintenance, repair and replacement of Common Areas; (iv) responsibility for maintenance and repairs; (v) reallocation of interests in the Common Areas (including the Limited Common Areas), or rights to their use; (vi) boundaries of any Unit; (vii) convertibility of Units into Common Areas or vice versa; (viii) expansion or contraction of the Condominium or the addition, annexation or withdrawal of property to or from the Condominium; (ix) insurance for fidelity bonds; (x) leasing of Units; (xi) imposition of any restrictions on a Unit owner's right to sell or transfer that owner's Unit; (xii) professional management; (xiii) restoration or repair of the Condominium Property; (xiv) termination of the legal status of the Condominium after substantial destruction or condemnation occurs; or (xv) expressly benefiting mortgage holders, insurers or guarantors. No addition to, change in or amendment of the Condominium organizational documents shall be considered material if it is for the purpose of correcting technical errors or for clarification only.

(b) any proposed decision or action that: (i) terminates professional management and establishes self management when professional management has been required previously by an eligible holder of a first mortgage lien; (ii) causes restoration or repair of the Condominium Property (after a hazard damage or partial condemnation) in a manner other than that specified in the Condominium organizational documents; (iii) substantial damage or destruction not be restored; (iv) the Condominium Property be renewed or rehabilitated; (v) significant new capital improvements not replacing existing improvements be constructed; or (vi) would, without addition to, change in, or amendment of the Condominium organizational documents, make any change with respect to the items described in subparagraph (a) of Section 1 of this Article.

(c) (i) any condemnation or casualty loss that affects either a material portion of the Condominium Property or the Unit securing its mortgage; (ii) any default under the Condominium organizational documents which gives rise to a cause of action against a Unit owner whose Unit is subject to its mortgage, when the default remains uncured for a period of sixty (60) days; (iii) any delinquency for sixty (60) days in the payment of assessments or charges owed by the owner of any Unit on which it holds the mortgage; (iv) any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association; and (v) times and places of Unit owners' meetings. An insurer or guarantor of a first mortgage lien on a Unit which has sent a written request to the Association stating both its name and address and the Unit designation or address of the Unit on which it insures or guarantees the mortgage shall be entitled to timely written notices of the events described in this subsection (c) and of any proposed action that requires the consent of a specified percentage of eligible mortgagees.

Section 2. Voting Rights. No action with respect to which eligible mortgagees are entitled to notice, as provided in subparagraphs (a) or (b) of Section 1 of this Article, may be taken without the consent of eligible mortgagees of Units to which at least fifty-one percent (51%) of the votes of Units

subject to mortgages held by eligible mortgages appertain, provided, further, that no action to terminate the Condominium or that would have that effect shall be taken without the consent of eligible mortgagees of Units to which at least seventy-five percent (75%) of the votes of Units subject to mortgages held by eligible mortgagees appertain.

ARTICLE XIX

AMENDMENTS

Section 1. Power to Amend. Except as otherwise specifically provided herein, additions to, changes in, or amendment of this Declaration (or the other Condominium organizational documents) shall, in addition to the consents required of eligible mortgagees, if any, as hereinbefore provided, require the consent of Unit owners exercising not less than seventy-five percent (75%) of the voting power of Unit owners. Notwithstanding the foregoing:

(a) the consent of all Unit owners shall be required for any amendment effecting a change in:

- (i) the boundaries of any Unit;
- (ii) the undivided interest in the Common Areas appertaining to a Unit or the liability for common expenses appertaining thereto;
- (iii) the number of votes in the Association appertaining to any Unit; or
- (iv) the fundamental purposes to which any Unit or the Common Areas are restricted;

(b) the consent of Unit owners exercising not less than eighty percent (80%) of the voting power of Unit owners shall be required to terminate the Condominium; and

(c) in any event, Declarant reserves the right and power, and each Unit owner by acceptance of a deed to a Unit is deemed to and does give and grant to Declarant a power of attorney, which right and power is coupled with an interest and runs with the title to a Unit and is irrevocable (except by Declarant), for a period of three (3) years from the date of the filing of the Declaration, to amend the Condominium organizational documents, to the extent necessary to (i) conform to the requirements then governing the making of a mortgage loan or the purchase, guaranty, or insurance of mortgages by an institutional lender or an institutional guarantor or insurer of a mortgage on a Unit, provided that the appropriate percentage (as described elsewhere herein) of eligible mortgagees is obtained (if required), or (ii) correct typographical errors or obvious factual errors or omissions, the correction of which would not impair the interest of any Unit owner, mortgagee, insurer or guarantor, provided, further, that if there is a Unit owner other than the Declarant, the Declaration shall not be amended to increase the scope of the period of control of the Declarant. An eligible mortgagee of a Unit who receives a written request to approve changes, additions or amendments sent by certified or registered mail, return receipt requested and who does not deliver or post to the requesting party a negative response within thirty (30) days after receipt of the same, shall be deemed to have approved such request.

Section 2. Method to Amend. An amendment to this Declaration (or the Drawings or the By-Laws), adopted with the consents of Unit owners and eligible mortgagees hereinbefore required, shall be executed with the same formalities as to execution as this Declaration by two officers of the Association

and shall contain their certification that such amendment was duly adopted in accordance with the foregoing provisions. Any amendment adopted by the Declarant or a duly empowered successor Declarant pursuant to authority granted it pursuant to the Declaration shall be duly executed by it with the same formalities as to execution as this Declaration and shall contain the certification of such signor or signors that such amendment is made pursuant to authority vested in Declarant or any duly empowered successor Declarant by the Declaration. Any amendment duly adopted and executed in accordance with the foregoing provisions shall be effective upon the filing of the same with the auditor and recorder of the county in which the Condominium Property is located.

ARTICLE XX

GENERAL PROVISIONS

Section 1. Covenants Running With the Land. The covenants, conditions, restrictions, easements, reservations, liens and charges created hereunder or hereby shall run with and bind the land, and each party thereof, and shall be binding upon and inure to the benefit of all parties having any right, title or interest in or to all or any party of the Condominium Property and the Association and their respective heirs, executors, administrators, successors and assigns.

Section 2. Actions. In addition to any other remedies provided in this Declaration, Declarant, (only with respect to those rights directly benefiting the Declarant), the Association and each Unit owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, easements, reservations, liens and charges set forth herein or in the By-Laws or now or hereafter imposed by or through the Association's rules and regulations. Failure by Declarant, the Association or by any Unit owner to proceed with such enforcement shall in no event be deemed a waiver of the right to enforce at a later date the original violation or a subsequent violation, nor shall the doctrine of laches nor any statute of limitations bar the enforcement of any such restriction, condition, covenant, reservation, easement, lien or charge. Further, the Association and each Unit owner shall have rights of action against each other for failure to comply with the provisions of the Condominium organizational documents, rules and regulations and applicable law and with respect to decisions made pursuant to authority granted thereunder, and the Association shall have the right to assess reasonable charges against a Unit owner who fails to comply with the same, including the right to assess charges for the costs of enforcement and arbitration. Notwithstanding the foregoing, in the event of a dispute between the Association and any Unit owner or occupant, other than with regard to assessments, that cannot be settled by agreement between them, the matter shall first be submitted to arbitration in accordance with and pursuant to the arbitration law of Ohio then in effect (presently Chapter 711 of the Revised Code of Ohio), by a single independent arbitrator selected by the Board. Nothing contained herein shall prevent or prohibit the Association from using summary abatement or similar means to enforce any provisions hereof or restrictions against the Unit or its use, provided that judicial proceedings shall be instituted before any items of construction may be altered or demolished by summary means.

Section 3. Severability. Invalidation of any one or more of these covenants, conditions, restrictions or easements by judgment or court order shall in no way affect any other provisions, which provisions shall remain in full force and effect. In the event any language of this Declaration conflicts with mandatory provisions of the Condominium Act, the latter's requirements shall prevail and the conflicting language shall be

deemed to be invalid and void, provided that such invalidity shall in no ways affect any other provisions of the Declaration, which provisions shall remain in full force and effect.

Section 4. Gender and Grammar. The singular wherever used herein shall be construed to mean the plural when applicable, and the necessary grammatical changes required to make the provisions hereof apply either to corporations, partnerships, men or women, shall in all cases be assumed as though in such case fully expressed.

Section 5. Captions. The captions of the various provisions of this Declaration are not part of the context hereof, but are merely labels to assist in locating the various provisions hereof.
